

Materials

1 25m skein DMC Perle No. 5 in red 321, Kreinik Blending Filament colour no. 095, 1 Butterfly Pendant and 4 Bow charms.

Equipment

1.50mm hook, 1.00mm and a needle for sewing in ends.

General Notes

Turning ch: the 1ch at beginning of rows is counted as a stitch unless other wise stated.

Joining Slip Stitch: This slip stitch is for joining only and not counted as a stitch.

Starting chain: Always work into the back loop of the starting chain. This gives a neater finish, making both the bottom and top of the work look the same. When working into unused loops, pick up both loops as you would when working into the tops of other stitches.

Right side: This is the outside or the front of the work.

Wrong side: This is the inside or the back of the work.

Special Stitches

Join bow/butterfly in next dc: place the bow/butterfly on the right side of the work, lining up the loop with the next dc, insert hook through both the dc and the loop and work dc. You may need a smaller hook to go though the loops, I used a 1.00mm.
