

Crocheted Doodling!

1st Side: 13ch, ss in 2nd ch from hook, htr in next ch, tr in next ch, htr in next ch, dc in next ch, *20ch, ss in 2nd ch from hook, htr in next ch, tr in next ch, htr in next ch, dc in next ch, rep from *.

When the length is as long as you want it (bearing in mind it "shrinks" about 25%), work the 2nd side back along the 1st side.

2nd Side: Ss in next 7ch, *6ch, ss in 2nd ch from hook, htr in next ch, tr in next ch, htr in next ch, dc in next ch, ss in next 7ch, miss leaf, ss in next 7ch rep from * to end., fasten off and sew in ends.

To make the corner branches.

Do not fasten off, just repeat sides 1 and 2 until you have enough branches, then fasten off.

To make the side branches.

Just start another 1st side part way along the 2nd side. Then work the 2nd side until you get back to where you have branched off and carry on the 2nd side on the main branch.

When you get the hang of this, you can add as many branches in as many places as you want to.
