

## Egg Bunny

A cute little bunny to hold a chocolate egg for Easter. When the egg has been eaten, you can put a finger down inside each leg and use it as a puppet!

### Materials

Small amount of DK yarn, 4.00mm hook, 2 beads for eyes (optional), tapestry needle for sewing in ends and, most important, chocolate egg!

### Notes

Beads can be worked in as you go or sewn on afterwards. If working in as you go, thread 2 beads on yarn before you start 2<sup>nd</sup> leg. Alternatively, eyes can be embroidered.

**dtrcl:** double treble cluster: \*yoh twice, insert hook in dc, yoh and draw through a loop, (yoh and draw through 2 loops on hook) twice, rep from \* twice more, yoh and draw through all 4 loops on hook.

**bdc:** insert hook in st, yoh and draw through a loop, slide bead down to work, yoh the other side of the bead and draw through 2 loops on hook.
