3. Make another 3 chain.

4. Into the 1st (farthest away from the hook) chain, work a slip stitch. This is your 1st petal made.

5. Work another double crochet into the very 1st chain made.

6. Repeat steps 3 and 4. 2nd petal made.

7. Repeat steps 2, 3 and 4 until you have 8 petals made.

8. Insert hook in to the 2nd of the very 1st 2 chain made and work a slip stitch.

9. Cut yarn or thread and pull the end through the slip stitch. Pull the end tight.

You now have a *Mini flower*.

Sew the ends in to tidy it up and use it in any way you wish.

To make slightly larger flowers, use 4 or 5 chain at step 3.
