

No Sew Fingerless Mitts - DK version

This pattern is specifically designed to use with the DK yarn. However, because of the way this pattern is designed, it is easily adaptable to different sizes and different yarns.

There are two different sizes with the stitch count for the second size in square brackets [].

Using a 3.50mm hook, Size 1 will make a child mitt and Size 2 will make a ladies size mitt. If you need them slightly larger, use a 4.00mm hook.

Continue working rows in dc until the mitt is the length you require.

If you want a longer cuff, you will need to increase the number of stitches, as your arm gets bigger the further up you go.
